Jeff,
To a great
guy who is lots
of fun and can
plan great floats
Marion '73

Jeff,
You're a real
about guy that's so a really good
bought a dictionary for you. It's nice lots of
me. Thanks luck in everything.
Marion '73

Jeff,
You're a really
cool guy. I'm
sure that someday
you will be a
big success.

Jeff,
You're really a great
guy. The best of luck
in everything you
do.

Faye

Jeff,
To a cool
man Karen
can't wait to
see you at
the prom.

Maybe someday
I can date you
Audrey '75

Jeff,
To a cool guy
who it was kind to
work with at
the pod. I hope you
have the best of luck
in the future.
Carla '73

Jeff,
To a really
cool guy who is
a lot of fun.
Love you
Anne '73

Jeff,
To a great junior
guy who is a lot of fun
to be with in speech.
Have fun next year as a Senior!
Jeannine '72

Jeff,
To a great junior
guy who is a lot of fun
to be with in speech.
Have fun next year as a Senior!
Jeannine '72

To a great friend
who is lots of fun.
Good luck in all you do.
I hope you have success in
anything you tackle.
@ Judy '73

Jeff,
To a cool
guy who is a lot of fun
to be with in speech.
Have fun next year as a Senior!
Jeannine '72

Jeff,
To a great
guy who is a lot of fun
to be with in speech.
Have fun next year as a Senior!
Jeannine '72

Jeff,
To a great guy
who is always nice
and friendly. I wish
you luck in all
you do. I'm sure you'll
succeed in anything
you try. Jeff
'73

Jeff,
To a great
guy who is a lot of fun
to be with in speech.
Have fun next year as a Senior!

REFLECTION 1971
South Adams Schools
Berne — Geneva, Indiana

CO-EDITORS AND ADVISOR

Deb Beer — Wendy Moser

Alan S. Baumgartner

*I hope you will be happy
to see this school
will have a good future
and I hope you will be
happy to see it.*

Reflections . . .

"The reflections on a day well spent furnish us with joys more pleasing than ten thousand triumphs." - Thomas a Kempis

Looking back brings smiles and laughter, tears and pain,
a funny, scary feeling inside. So we take time to look
back at the people and places in our past.

"... The people in my past
Fading faces in a waking dream
And though they never seem to last very long
There are faces I remember
From the places in my past
I said all the dead head miles
And the insincere smiles
Sometimes I can laugh and cry
And I can't remember why
But I still love those good times
gone by
Hold on to them close or let
them go ..."

- James Taylor

Convos . . . Time For

Even the most avid defender of the six-period schedule will admit that the same routine day after day gets a bit monotonous. Thus, convocations were always a welcome break. We did pretty well this year, averaging about one a month. Not all were of a superb quality, but a big round of applause was always given (ulterior motive? oh no!) and students still recall "that girl who played 'Chicago'," "that black guy who got us all singing," and "the man who told us to 'pinch that fuse.'"

Student Relaxation

Homecoming Is A

Queen Vicki Steiner

October 9, 1970 was undoubtedly one of the most memorable days of the school year. For the first time, Homecoming was held in the evening under the new football lights. In honor of the occasion, it poured rain. Nevertheless, spirits remained undampened; the cheerleaders wore drycleaner bags, floats took on plastic coverings, queen candidates retired to cars, and the team donned towels. The evening ended with Vicki Steiner as our new queen, the seniors taking first place with "Big Green," and a lot of faithful fans distraught over the defeat of the soggy, but super Starfires.

Arouse Spirit

Junior-Senior

Thanks to the expert previewing of Dallas Liechty, the highlight of the 1971 Junior-Senior reception was undoubtedly the inspirational movie. However, there were a few people who did not stay for the entire film.

Overall, though, the Junior-Senior reception was beautiful. The decorations were lovely and it was obvious that the Juniors had worked quite hard on them. "Four of a kind" provided pleasant listening during the buffet supper. Rich Briggs and the Flukey Luke Awards added something - we're not quite sure what - to the evening. "Fountain of Love" as visited on May 16, 1971, was much appreciated by the Senior Class.

Graduation . . .

The 1971 graduation ceremonies came to a close amidst the clamor of joyous shouts, tears, and the fading strains of *Pomp and Circumstance*.

Yes, the night of May 23rd was the ending for the 136 graduating seniors. Along with the ending of their high school days came the ending of old friendships, class parties, and for some, formal education. But it was also the beginning of a new life, new responsibilities, new friendships, further education and new opportunities.

Beginning Of A New Road

ACADEMICS

English Conveys Our Ideas . . .

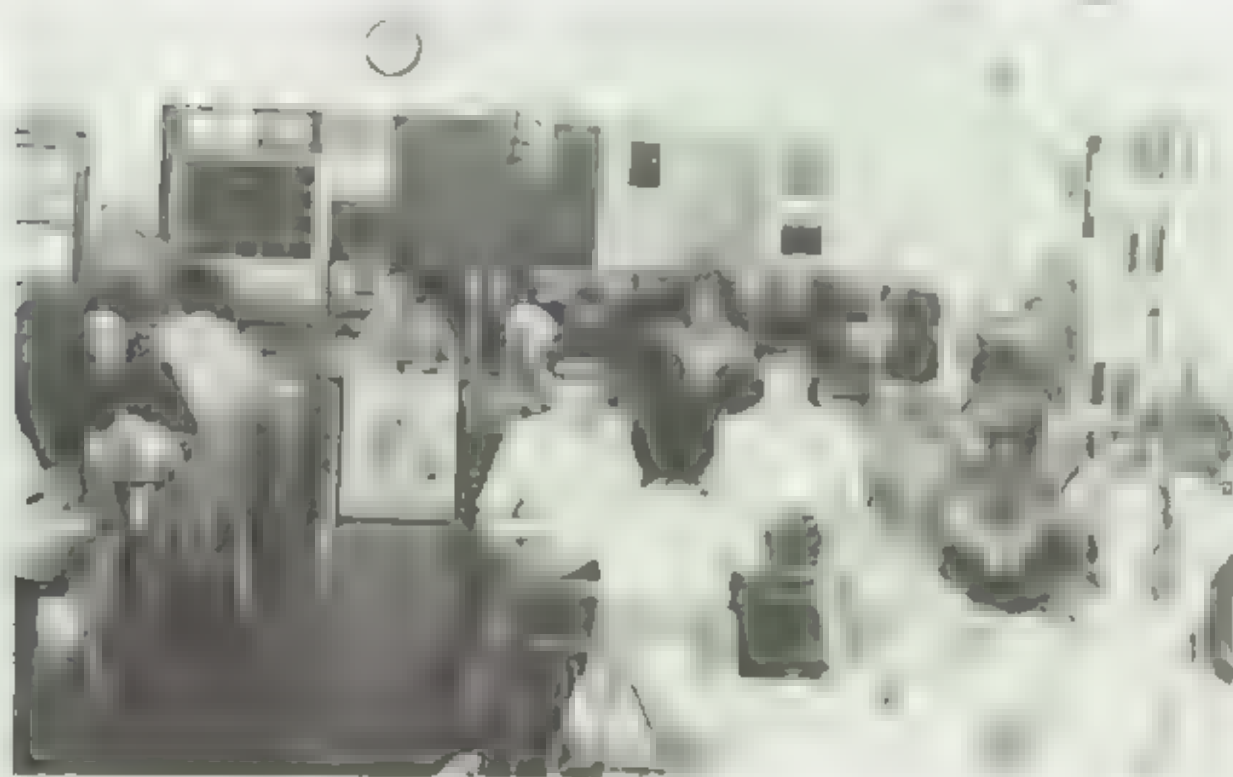

The Library Expands Our Minds

Formal library science lessons enable the librarian to introduce students to new authors and to books which the student might not be familiar with. The librarian also tries to find books which fit both the interest and the reading ability of each student.

The primary emphasis in Literature, English 12, was upon literary interpretation and composition. Miss Blue, "The English 12 students were a nice group to work with."

Juniors on the other hand attempted to do a research project and paper. The teachers emphasize the importance of American literature.

Freshmen and Sophomores learn from prepared packets. These packets include sections of literature, grammar, speech, and composition.

Speech And Language

Aid In Communication

The basic purpose of Speech is to better prepare our students to communicate with others in our society, for only through communication can this society exist.

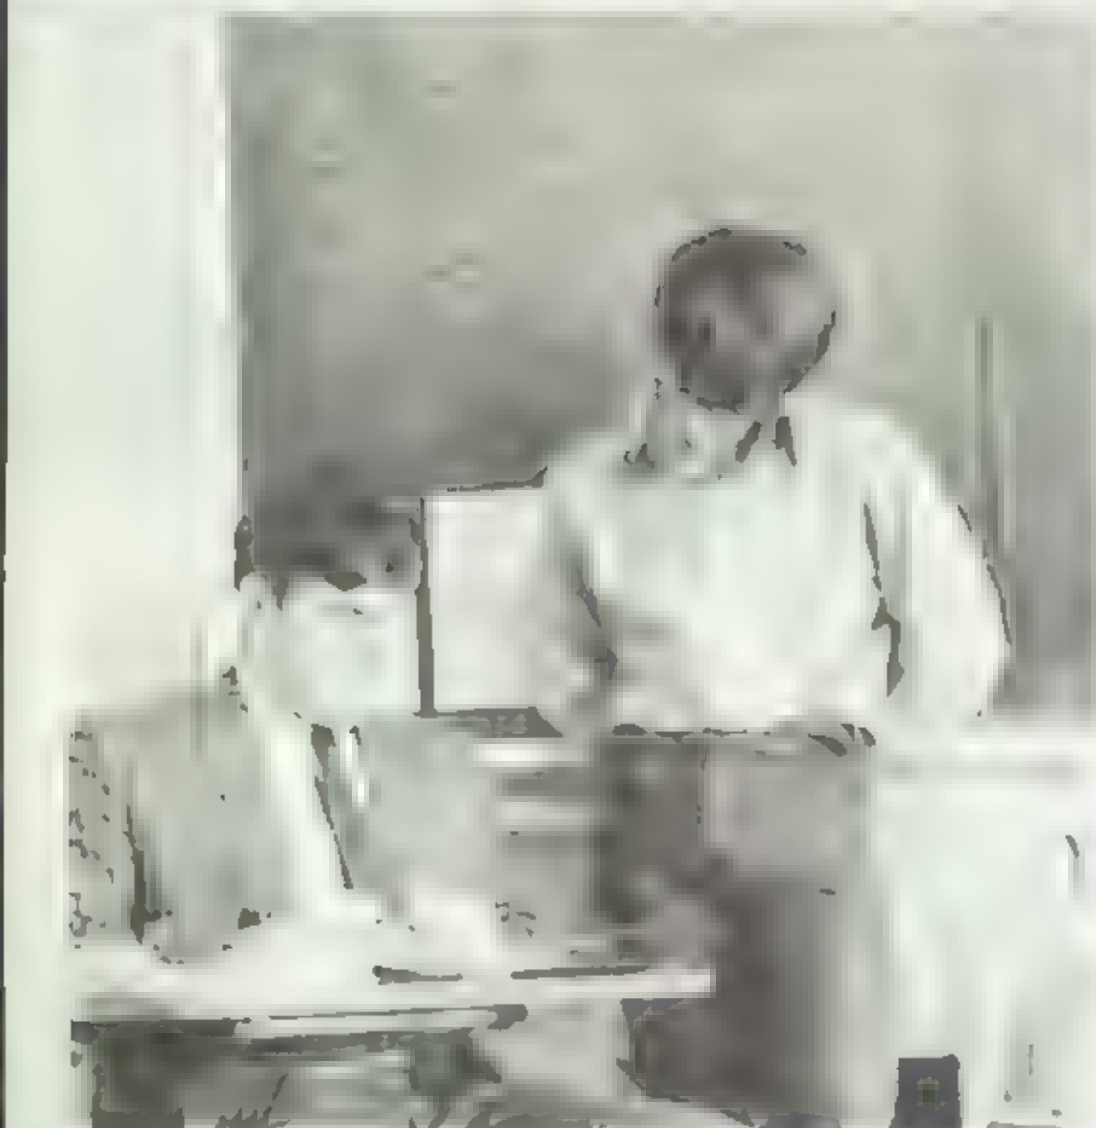

Multás res focsebamur quae spero erant optimae. Conabamur Latine loqui, Latine reddere et Latine scribere. Interdum ludos ludebamur, quos disup uli amabant.

Dans les classes du Français I et II, les étudiants apprennent comment parler et lire la langue. Nous étudions aussi beaucoup de culture du pays. Il y a des leçons de grammaire afin qu'ils apprennent écrire des lettres en français. Cette année plusieurs d'étudiants écrivent aux jeunes gens en France.

En la clase de español, estamos tratando de aprender español. También queremos comprender más de la gente de los países donde se habla español. Yo espero que después de mi clase, estudiantes desearán viajar a otros países y visitar con la gente.

Math Solves Problems . . .

An individualized math program was used at S.A. this year in all four grade levels. The individualized math program allowed the students to use a variety of text books rather than one. Algebra II, Geometry, Chemistry, Physics, and College Math were all taught in this manner.

Sciences Discover New Ones

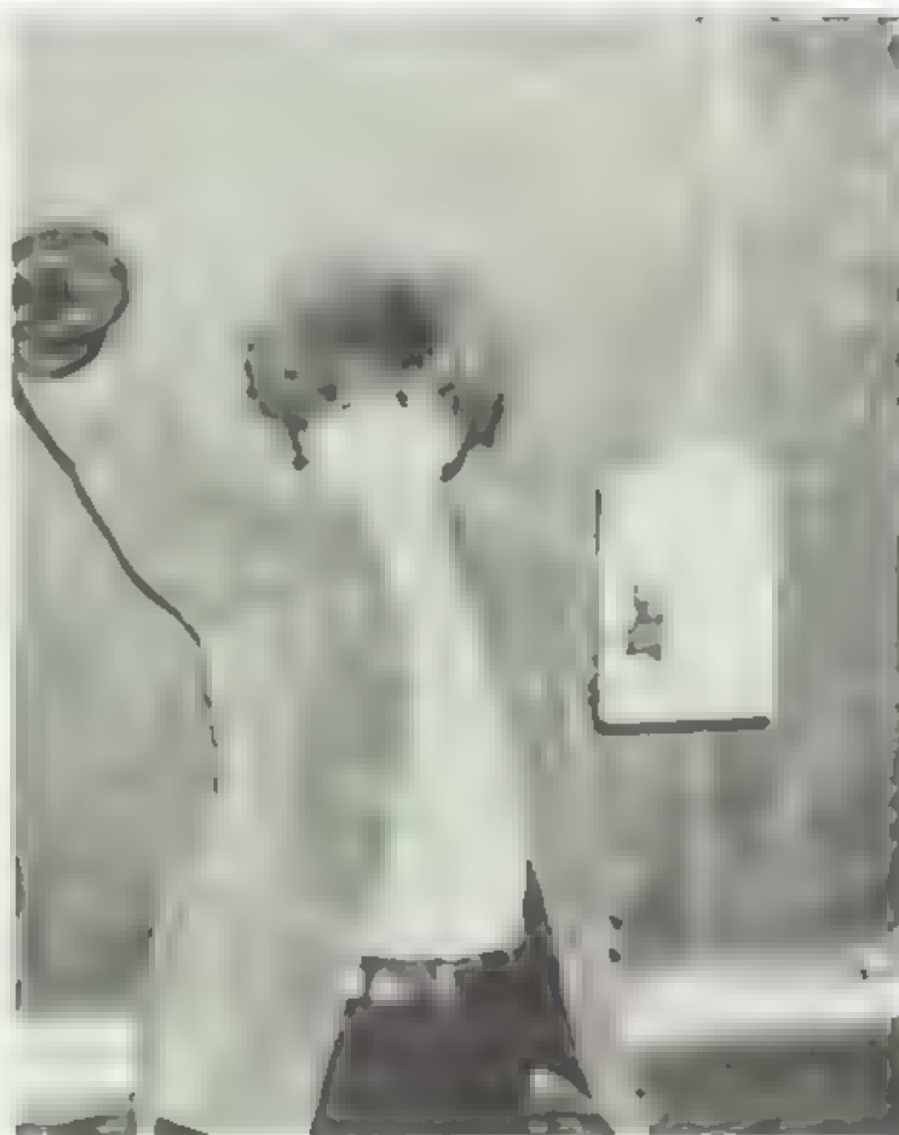

Freshman Biology is conducted on a weekly topic basis and is team taught. A new assignment is given at the beginning of each week, and a large group lecture is conducted on Monday. The large groups are designed to give out information to the entire group and to motivate the students for that week's assignment. This program is not individualized in the sense that students go at their own pace, but it is in that there are many different materials available to each student to help him understand basic Biology more in line with his ability.

Advanced Biology is a truly individualized biology program. Students are responsible for deciding what they want to study in the field of biology. They complete four contracts in one year's study, that is one each nine weeks. This allows the student to study the things in biology that he desires or needs. The strength of a program such as this is that individual needs can and are being met.

Thoughts From

There were three basic history courses required at S.A. this year. World History for the Sophomores, U.S. History for the Juniors, and Civics for the Seniors.

In World History this year the Sophomores completed a study of the World Wars, which was followed by a study of the European, Latin American, and South American countries. Their year was completed by studying Man; ancient, medieval, and modern.

In U.S. History, the Juniors learned our basic rights, why we deserved them, how we obtained them, and what we should do with them.

For the Seniors the curriculum was a little different. The first semester they studied Civics, which is the study of the rights and responsibilities of citizens at various levels of government - local, state, and federal. The second semester they studied Sociology which is the study of society and its environment.

Past To Present

Students Geared

The primary goal of the Business Department is to prepare students for entry level occupations in the business world and, also, to provide students with a basic business background for further training in secretarial and/or other business areas.

Bookkeeping I gives the student the basic theory and understanding of accounting.

Typing I gives the student the opportunity to learn the basic fundamentals of typewriting.

Typing II provides an opportunity for students to apply the basic knowledge gained in Typing I to advanced typing problems. The girls in Office Practice concentrate on producing mailable copies of all their work. Also, a large amount of ditto typing is done for teachers.

General Business covers many areas of basic business principles that are important to all students. Areas taught are: basic fundamentals of banking, buying various types of insurance, computing interest on loans and notes.

Business Law was available to South Adams students for the first time this year. The primary goal was to give students an insight into the basic fundamentals of business law.

For Business

Tomorrow's Homemakers

The ninth grade students this year studied units on nutrition, planning and preparing, and serving breakfasts and lunches. They also worked on clothing construction and grooming.

The tenth grade students worked on home nursing and foods with emphasis on dinners and meat cookery. They also worked on advanced clothing construction.

Home Ec eleven studied family relations, child care, and housing and home furnishings.

Home Ec twelve did independent projects in sewing and spent time on good projects. They worked on some comparisons of various food products.

. . . *And Engineers*

The Industrial Art students should comprehend the technical and related information basic to an intelligent understanding of the occupation, therefore this would provide him with the opportunity to plan, study, and construct by using his own initiative and ability.

Vocational Electronics is a class to teach the various aspects of an electronics technician job to junior and senior boys. This is a class designed to follow on job training lines as established by industry.

The ninth grade Agriculture students were introduced to Agriculture, FFA, judging and production techniques.

The tenth grade students studied more detailed study of Judging and Production.

The Junior and Senior students study marketing, nutrition, farm management, production of specific commodities and advanced Ag mechanics.

Art — A Way Of Expression

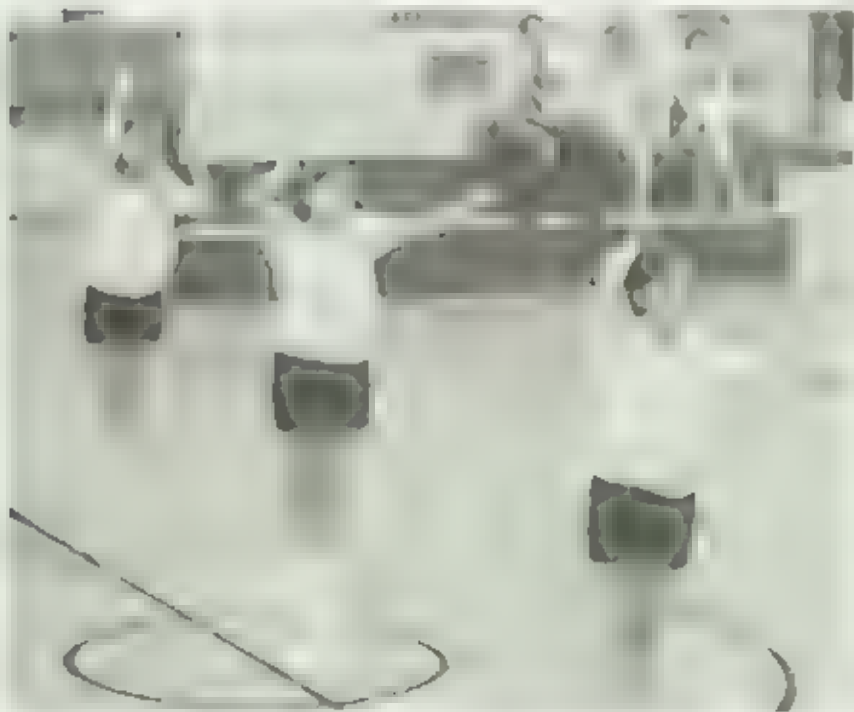

This year the art program at South Adams has been expanded to include three studio classes for high school students. Along with this a program is conducted for elementary pupils. The goal of the Art Department is not to make everyone a professional artist but rather to instill an appreciation for art and self expression. For many, art may become a life long hobby, or interest. Others may discover they have a career awaiting them in some field of art or art related endeavor. Whatever path the student chooses, we strive to make the program as varied and interesting as present facilities permit.

P.E. — Conditioning Our Bodies

The Physical Education classes spent most of their time participating in various sports. Some of these are golf, tennis, soccer, volleyball, badminton, and table tennis.

Health is basically concerned with educating the students about the drug problem, personal grooming, first aid, and driving safety. This is accomplished through the use of movies, instructional materials, skits, and lectures.

Madrigals

This past year has been one of the best for the South Adams Madrigals. Though the singers were concerned about missing school, they sacrificed and made trips to St. Henry and Leo, which proved enjoyable for all. The group worked well with both Dr. Burkhalter and student teacher Charles Craig to produce their first serious work The Vivaldi Gloria. Pop's Concert and the Awards Convocation were the big events of the spring. The group donned Kazoos and nostalgic feelings at both.

The Girls Behind

Varsity Football

Even though much of the football season weather was cold, these girls came to boost the morale of our football team. They came with their sweaters, colds, and goose-bumps. Little Jana Thornton held her own against each gust of wind; queen Vicki Steiner donned a beautiful smile through her fuzzy hair; Barb McKean, the lone sophomore cheerleader, energetically held the flag for the underclassmen; Carol Reusser voiced her support at each game, deafening a few front row spectators; and last but not least, junior Karen Flueckiger coaxed the adults as well as students to back our Star-fire football team.

Varsity Basketball

What can one say about these five girls. They have spent much of their time, money, and patience for the cause of raising school spirit. They have jumped, screamed, cried, yelled, flip-flopped, and smarkled, at us. Their endurance and vigor have put the rest of us to shame. Both the pep club and the basketball team have appreciated the smiles and cheers of Jo Neuenschwander, Sandy Lehman, Rita Roth, Judy Houser, and Karen Van Emon.

The Scenes

Reserve Basketball

Often the reserve cheerleaders are left out of the glory and honor bestowed upon basketball cheerleaders. Many times people do not attend the reserve games let alone respond to the cheers of these girls. We feel that Jean Baumgartner, Carla Lehman, and Carol Dustman have done a fine job despite the general lack of enthusiasm.

Freshman Basketball

Fan buses with no fans, games on funny nights and at strange hours have not overridden the energetic school spirit of our freshman cheerleaders. We feel that Gaye Sprunger, Deb Horn, Deb Kuhn, and Denise Hinkel have a fine future in cheerleading. GOOD-LUCK, Girls!

Half-Time Entertainers

Half-time can be rather boring, consisting of walking around and drinking a coke. However, Linda Sprunger, our shapely feature twirler, did much to dispel that half-time boredom. She displayed not only her talents, but those of her pupils. Without any disrespect intended; the flag was definitely more applaudable when carried by our flag bearers, Ruth Bertsch and Vivian Liechty. Many fans have often wondered who the "twin" drum majors were. We still don't know but would like to give credit for their performance in this unheralded but noteworthy active role. P.S. Good job Ron and Tom Hewitt.

Noon-Time Show-Offs!!

Team No. 1

Rich Briggs
Gary Bollenbacher
Kendric Christner
Gaylord Lehman
Jim Weidler
Doyle Martin

The intramural basketball teams really shined this year in their daily noontime exhibitions. Adding to the regular basketball game procedure, the boys employed football, soccer, and wrestling tactics in the games. Injuries ranged from a split ear to a nearly broken wrist. These boys truly added spice and excitement to the 1970-1971 noon hours.

HIGH SCHOOL FACULTY

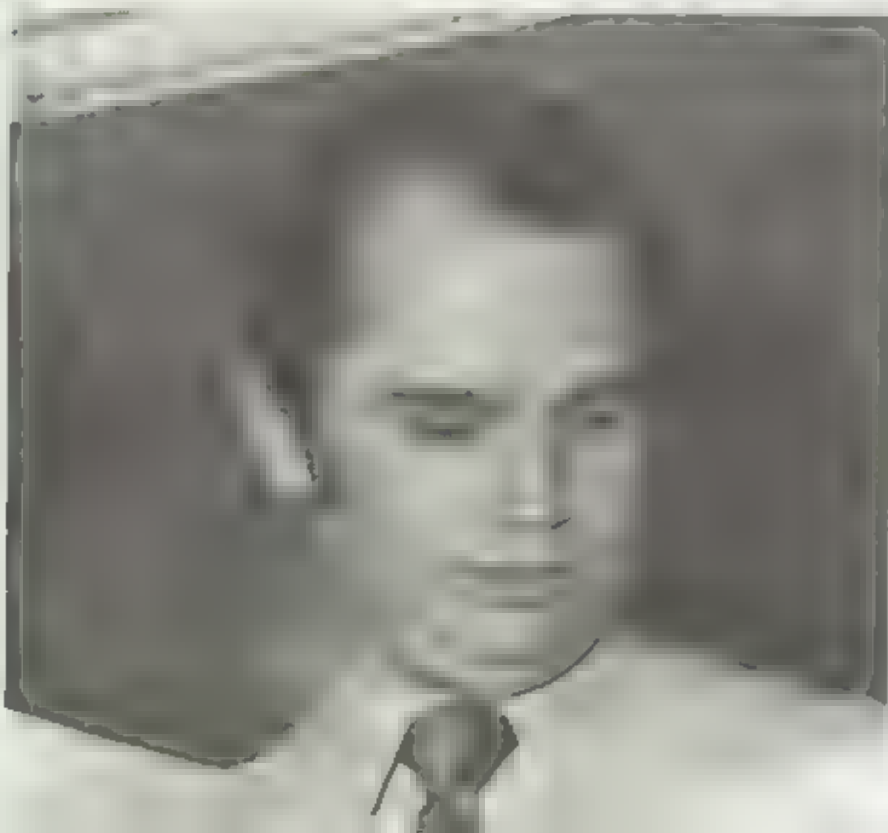

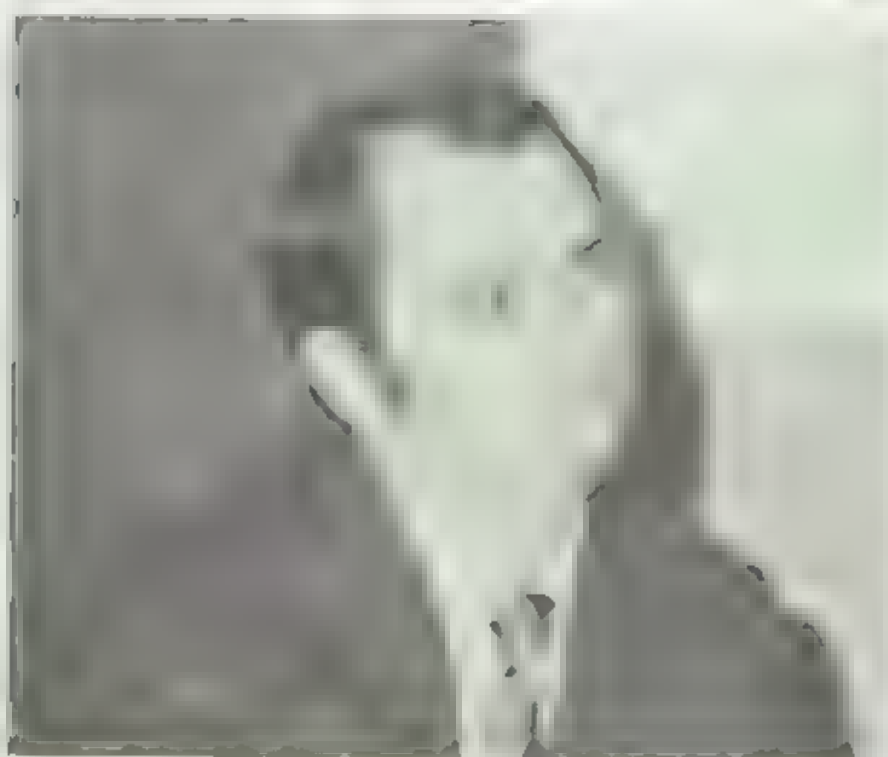

1971 Dedication . . .

You have smiled and laughed with us. You have listened openly to our ideas and shared yours without forcing them on us. You have sympathized with our sorrows and empathized without fears and doubts. You have given your time, patience, encouragement, your faith. You have given not only as a teacher; you have shared yourself as a person, admitting your mistakes and faults, helping us to accept our own. In love and appreciation we dedicate this 1971 REFLECTION to you, Mr. Timothy Bresnahan.

KATHY ZUERCHER: SA 1,2,3,4; A Cappella 3,4; Concert Band 1; District Instrumental 1,3,4; Girl's Glee 2; Latin Club 1,2; Madrigals 3,4; Marching Band 1,2,3,4; Musicals 1; Orchestra 3,4; Pep Club 3,4; Reflection Staff 4; Speech Club 4; Symphonic Band 2,3,4; Girl's Glee Officer 2; Bowling Club 1,2; Freshman Choir 1.

From Guadalupe "He" Came

Last fall the senior class learned something concerning international relations. Jewel Cramer, exchange student from Guadalupe, returned to his native country after spending three months at South Adams. We sincerely hope he received a favorable impression of Americans from his visit.

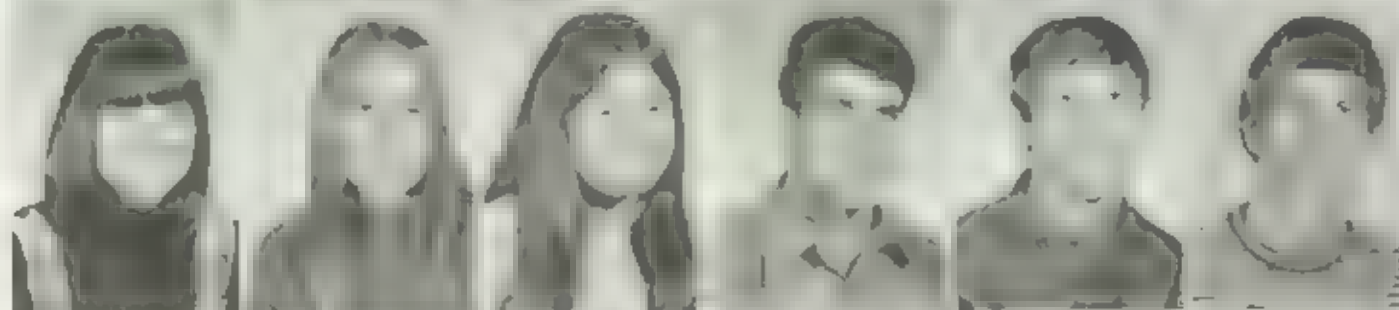

In Memory

For those of you who knew Joey Gregg, memories of the cheerful, smiling boy remain vivid. Nevertheless death always comes unexpectedly to the young. But time is a healer. Months and even years have passed and words are difficult to find.

Elementary School Life

Looking back brings smiles and laughter, tears and pain,
We have taken time to look back. What did we see?

The Circle Game

Yesterday a child came out to wonder
caught a dragonfly inside a jar
fearful when the sky was full of thunder
and tearful at the falling of a star.
Then the child moved ten times round the seasons
skated over ten clear frozen streams
words like, when you're older, must appease him
And promises of some day make his dreams.
Sixteen springs and sixteen summers gone now
Cartwheels turn to carwheels thru the town,
And they tell him, take your time, it won't be long now
till you drag your feet to slow the circles down,
So the years spin by and now the boy is twenty
Tho his dreams have lost some grandeur coming true
They'll be new dreams, maybe better dreams and plenty
Before the last revolving year is through
And the seasons they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return, we can only look behind
From where we came
And go round and round and round
In the circle game.

- Joni Mitchell

And Smile!!

Life is fun and
worth living - so smile!
Deb

Jeff,

May you be in heaven
a half hour before the Devil
knows you're dead

Elaine

I agree!

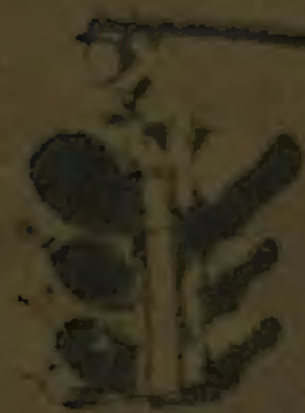

Stan Nurnschwander

Jeff,
You're a really nice
guy, in a way that
a few other people
are very good at
being. I get
a lot of good friends
in the future!
I hope you're
happy now and
in the future!

John Nurnschwander

Jeff,
I hope you're
happy now and
in the future!
I hope you're
happy now and
in the future!
